#### **Independent Auditors' Report**

The Board of Directors Knox County Head Start, Inc.

#### Report on the Audit of the Financial Statements

#### **Opinion**

We have audited the accompanying financial statements of Knox County Head Start, Inc. (a nonprofit organization), which comprise the statement of financial position as of July 31, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Knox County Head Start, Inc. as of July 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Knox County Head Start, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Prior Period Financial Statements**

The financial statements of Knox County Head Start, Inc. as of July 31, 2021 were audited by other auditors whose report dated July 29, 2022 expressed an unmodified opinion on those statements.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Knox County Head Start, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Stand*ards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

#### **BARNES DENNIG**

## Independent Auditors' Report (Continued)

#### Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures
  in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of Knox County Head Start, Inc.'s internal control. Accordingly, no
  such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Knox County Head Start, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 24, 2023, on our consideration of Knox County Head Start Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Knox County Head Start, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Knox County Head Start, Inc.'s internal control over financial reporting and compliance.

February 24, 2023 Cincinnati. Ohio

#### **Notes to Financial Statements**

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Nature of Operations

Knox County Head Start, Inc. (the Agency) was incorporated as a not-for-profit organization under the laws of the state of Ohio in 1965. The Agency's mission is to work in partnership with the Knox County community to provide quality preschool, childcare and family services to engage children, families and staff in reaching their full potential. In fulfilling this purpose, the Agency administers numerous programs funded by federal, state and local entities.

#### Financial Statement Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America (GAAP). The Agency is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions, which are available for use in general operations and not subject to donor restrictions; and net assets with donor restrictions, which are either temporary in nature, such as those that will be met by the passage of time or other events specified by the donor, or are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

#### Fair Value Measurements

GAAP has a three-level hierarchy for fair value measurements based on transparency of valuation inputs as of the measurement date. The hierarchy is based on the lowest level of input that is significant to the fair value measurement. The three levels are defined as follows: Level 1 inputs are unadjusted quoted prices for identical assets in active markets; Level 2 inputs are observable quoted prices for similar assets in active markets; Level 3 inputs are unobservable and reflect management's best estimate of what market participants would use as fair value.

#### Cash and Cash Equivalents

The Agency considers all liquid investments with original maturities of three months or less to be cash equivalents. Cash equivalents consisted primarily of money market funds. The Agency maintains its cash in bank deposit accounts which, at times, exceed federally insured limits. The Agency has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

#### Investments and Investment Return

Investments in equity securities having a readily determinable fair value and all debt securities are carried at fair value. Investment return includes dividends, interest, and realized and unrealized gains and losses on investments.

Investment return that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in net assets without donor restrictions. Other investment return is reflected in the statements of activities as with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

## Notes to Financial Statements (Continued)

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Accounts Receivable

Accounts receivable are stated at unpaid balances, less an allowance for doubtful accounts. The Agency provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. Accounts past due more than 120 days are considered delinquent. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the customer. No allowance for doubtful accounts was recognized at July 31, 2022 and 2021.

#### Property and Equipment

Property and equipment are recorded at cost or, if donated or impaired, at fair value at the time of the gift or determination. Depreciation is calculated on a straight-line basis over the estimated useful lives of the respective assets. Major improvements are capitalized, while maintenance and repairs are expensed as incurred.

In accordance with GAAP, the Agency assesses the recoverability of the carrying amount of property and equipment if certain events or changes occur, such as a significant decrease in market value of the assets or a significant change in operating conditions. Based on its most recent analysis, the Agency believes no impairments existed at July 31, 2022 and 2021.

#### **Contributions**

Gifts of cash and other assets received without donor stipulations are reported as revenue and net assets without donor restrictions. Gifts received with a donor stipulation that limits their use are reported as revenue and net assets with donor restrictions. When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Gifts originally having donor stipulations which are satisfied in the period the gift is received are reported as revenue and net assets with donor restrictions and then released from restriction.

Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long-lived assets must be maintained, the Agency reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Unconditional gifts expected to be collected within one year are reported at their net realizable value. Unconditional gifts expected to be collected in future years are reported at the present value of estimated future cash flows. The resulting discount is amortized and reported as contribution revenue.

Conditional gifts depend on the occurrence of a specified future and uncertain event to bind the potential donor and are recognized as assets and revenues when the conditions are substantially met and the gift becomes unconditional.

## Notes to Financial Statements (Continued)

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Government Fees and Grants

Revenues of the Agency consist primarily of federal, state, and local cost reimbursable grants. The grants are conditional on the Agency incurring allowable expenses in performance of the grants. Grant revenue is recognized as support to the extent that the related expenses are incurred. Grant funds received in excess of expenses incurred result in the recognition of a refundable advance (liability) recorded on the balance sheet. Allowable expenses incurred in excess of grant funds received results in recognition of grants receivable (asset) recorded in accounts receivable on the statement of financial position. Government grants received from one Federal agency represented approximately 58% and 61% of the Agency's revenues during 2022 and 2021, respectively.

#### In-Kind Donations and Services

The Agency receives certain in-kind donations and services during the year, which are recorded at fair value as contribution revenue and an expense in the financial statements. The Agency records donated services revenue in the period received only if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. However, many individuals volunteer their time and perform a variety of tasks that assist the Agency.

#### Revenue Recognition

The Agency identifies a contract with a customer for revenue recognition when there is approval and commitment from both parties, the rights of the parties and payment terms are identified, the contract has commercial substance and the collectability of consideration is probable. The Agency evaluates each contract to determine the number of distinct performance obligations in the contract, which requires the use of judgment. To determine the proper revenue recognition method, the Agency evaluates whether two or more contracts should be combined and accounted for as one single contract and whether the combined or single contract should be accounted for as a single or more than one performance obligation.

Revenue from contracts with customers is primarily recognized from childcare fees. These contracts consist of a single performance obligation as the promise to transfer the service is not separately identifiable from other promises in the contracts and, therefore, not distinct. Revenue is recognized by the Agency over the time its services are provided to the participant. The Agency generally uses the time elapsed method, an input measure, as it considers it to best depict the simultaneous consumption and delivery of its services. The determination of the method by which the Agency measures its progress towards the satisfaction of its performance obligations requires judgement. The transaction price is stated in the contracts and is known at the time of contract inception. The variable consideration associated with the Agency's contracts with customers consists primarily of discounts offered to program participants. Payments are due monthly and accounts 30 days past due will be subject to a late fee. Some amounts are due from third-party payors (including government programs). The Agency bills third-party payors several days after the services are performed and payment is expected upon submission of claims for the services authorized for reimbursement, generally within 15 - 30 days. Contract assets, recorded as accounts receivable, for childcare fees as of July 31, 2022, 2021, and 2020 was \$30,936, \$46,975 and \$16,022, respectively, and are included in grants and reimbursement contracts receivable, net.

## Notes to Financial Statements (Continued)

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Income Taxes

The Agency is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of Ohio law. However, the Agency is subject to federal income tax on any unrelated business taxable income.

The Agency's IRS Form 990 is subject to review and examination by federal and state authorities. The Agency believes it has appropriate support for any tax positions taken, and therefore, does not have any uncertain income tax positions that are material to the financial statements.

#### Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the statement of functional expenses. Certain costs have been allocated among the program, management and general and fundraising categories. The most significant allocations are compensation and related expenses, which were allocated based upon time spent by Agency personnel, and occupancy, which was based on square footage.

#### Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of the revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

#### Recently Issued Accounting Standards

In February 2016, the FASB issued ASU 2016-02, *Leases*. The standard requires all leases with lease terms over 12 months to be capitalized as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases will be classified as either finance or operating. This distinction will be relevant for the pattern of expense recognition in the income statement. This standard will be effective for the fiscal year ending July 31, 2023. The Agency is currently in the process of evaluating the impact of adoption of this ASUs on the financial statements.

#### Reclassifications

Certain 2021 figures were reclassified to conform to the 2022 presentation.

#### Subsequent Event Evaluation

Subsequent events have been evaluated through February 24, 2023, which is the date the financial statements were available to be issued.

## Notes to Financial Statements (Continued)

#### NOTE 2 LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditures, that is, without donor or other restrictions limiting their use, within one year of July 31, comprise of the following:

	2022	2021
Cash Grants and reimbursement contracts receivable, net United Way allocation receivable Investments	\$ 665,430 323,990 66,305 93,772	\$ 690,942 516,399 54,500
Total financial assets	1,149,497	1,261,841
Less: donor-restricted net assets	(66,305)	(65,400)
	\$ 1,083,192	\$ 1,196,441

For the purposes of analyzing resources available to meet general expenditures over a 12-month period, the Agency considers all expenditures related to its ongoing activities issued to programs as well as the general expenses that support the programs. The Agency regularly monitors liquidity required to meet its operating needs and other contractual commitments.

#### NOTE 3 INVESTMENTS AT FAIR VALUE

Investments at fair value as of July 31 consisted of:

	 2022	20	21
Level 2			
Funds held at Knox County Foundation	\$ 93,772	\$	-

The Agency holds its investments in the Knox County Foundation Fund, which was established with donor and organization funds to improve the quality of life for residences of Knox County. Net investment return of the Fund (representing interest and dividend income and net investment appreciation or depreciation) is allocated to participating organizations based on their respective share of the Fund's assets. Fair value for funds held at the Knox County Foundation are valued as a proportionate interest of the fair value of underlying funds. The underlying funds are primarily assets which can valued using observable inputs and are categorized as using Level 2 inputs.

#### NOTE 4 CONDITIONAL CONTRIBUTIONS

The Agency has numerous grants for which the federal and local government agencies' promises to give are conditioned upon the Agency incurring certain qualifying expenses under the grant programs. At July 31, 2022 and 2021, the Agency had remaining available award balances on federal and local government conditional grants and contracts of \$331,252 and \$458,663, of which \$62,702 and \$49,470 have been received in advance of utilization and have been recognized as refundable advances, all respectively. These award balances are not recognized as assets and will be recognized as revenue as the conditions are met, generally as qualifying expenses are incurred.

## Notes to Financial Statements (Continued)

#### NOTE 5 PROPERTY AND EQUIPMENT

Property and equipment as of July 31 consisted of the following:

	2022	 2021
Land	\$ 57,822	\$ 57,822
Building and improvements	698,661	698,661
Furniture, fixtures and equipment	271,408	248,108
Playground equipment and other site improvements	453,760	453,760
Vehicles	224,328	224,328
Less accumulated depreciation	(859,849)	(779,907)
	\$ 846,130	\$ 902,772

#### NOTE 6 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions as of July 31, 2022 and 2021 consisted of \$66,305 and \$65,400 of the United Way allocations restricted as to timing.

#### NOTE 7 CONTRIBUTED NONFINANCIAL ASSETS

For the years ended July 31, contributed nonfinancial assets recognized within the statement of activities included:

Туре	Revenue F 2022	Recog	nized 2021	Utilization	Donor Restrictions	Valuation Techniques and Inputs
Rent	\$ 485,559	\$	459,511	Internal use	None	Market appraised value less rent paid
Office, janitorial and program supplies	41,161		8,053	Internal use	None	Typical purchase price of a similar item.
Utilities	20,553		-	Internal use	None	Typical cost for similar usage rates
Professional services			45,951	Internal use	None	Service costs for similar services.
	\$ 547,273	\$	513,515			

#### NOTE 8 RETIREMENT PLAN

The Agency has a defined contribution retirement plan covering substantially all employees. The Agency provides a matching contribution equal to 100% of employee deferrals, up to a maximum of 3.00%. Total matching contributions were \$39,847 and \$29,300 for July 31, 2022 and 2021, respectively. There were no discretionary contributions made during 2022 and 2021.

#### NOTE 9 OPERATING LEASES

The Agency leases classroom and office space under non-cancelable operating leases that expire at various times through 2024. Total lease expense under all operating leases was \$51,626 and \$50,967 during July 31, 2022 and 2021, respectively.

## Notes to Financial Statements (Continued)

#### NOTE 9 OPERATING LEASES (CONTINUED)

Future minimum lease payments under non-cancellable lease as of July 31, 2022 were as follows:

2023	\$ 93,552
2024	 43,260
	\$ 136,812

#### NOTE 10 COMMITMENTS AND CONTINGENCIES

The majority of the Agency's governmental funding sources have the contractual right to examine the records of the related programs. As a result of these examinations, the Agency may be required to return a portion of the funding received. No allowances are included on the statements of financial position at July 31, 2022 and 2021 related to this contingency.

#### Schedule of Expenditures of Federal Awards Year Ended July 31, 2022

Child and Adult Care Food Program	10.558		134,483
Total U.S. Department of Agriculture			134,483
Total Expenditures of Federal Awards		\$ -	\$ 3,441,063

#### Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Knox County Head Start, Inc. under programs of the federal government for the year ended July 31, 2022. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principals, and Audit Requirements for Federal Awards (Uniform Guidance). Because the schedule presents only a selected portion of the operations of Knox County Head Start, Inc. it is not intended to and does not present the financial position, changes in net assets or cash flows of Knox County Head Start, Inc.

#### Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

#### De Minimus Cost Rate

The Agency has not elected to use the 10% de minimis cost rate.

#### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT **AUDITING STANDARDS**

The Board of Directors Knox County Head Start, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Knox County Head Start, Inc. (a nonprofit organization), which comprise the statement of financial position as of July 31, 2022, and the related statements of activities, functional expense and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 24. 2023.

#### Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Knox County Head Start, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Knox County Head Start, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Knox County Head Start, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Knox County Head Start, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

#### **BARNES DENNIG**

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (CONTINUED)

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE **UNIFORM GUIDANCE**

The Board of Directors Knox County Head Start, Inc.

#### Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited Knox County Head Start, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Knox County Head Start, Inc.'s major federal programs for the year ended July 31, 2022. Knox County Head Start, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and guestioned costs.

In our opinion, Knox County Head Start, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended July 31, 2022.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America: the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Knox County Head Start, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Knox County Head Start, Inc.'s compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Knox County Head Start, Inc.'s federal programs.

## INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (CONTINUED)

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Knox County Head Start, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Knox County Head Start, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
  design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding Knox County Head Start, Inc.'s compliance with
  the compliance requirements referred to above and performing such other procedures as we
  considered necessary in the circumstances.
- Obtain an understanding of Knox County Head Start, Inc.'s internal control over compliance
  relevant to the audit in order to design audit procedures that are appropriate in the circumstances
  and to test and report on internal control over compliance in accordance with the Uniform
  Guidance, but not for the purpose of expressing an opinion on the effectiveness of Knox County
  Head Start, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

#### **BARNES DENNIG**

## INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE (CONTINUED)

#### Report on Internal Control over Compliance (continued)

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
